Not the least remarkable indication of the growth of business on West South Temple street, "The Union Depot Highway," is the great demand for leases on the six stores in the new Empire building, which is being erected on First West and South Temple by J. Donnan Reavis for Perry S. Heath.

A circumstance that has greatly stimulated the demand for the stores is that the ertire upper foor, containing \$5 rooms, has been leased to a prominent Sait Laker for a period of five years for the purpose of a large private hotel. The fact that there will be \$5 rooms above these stores, all occupied by tenants, will in itself stimulate the business of the storekeepers below.

The knowledge of the consummation of

The knowledge of the consummation of this lease has caused a great many applications to be filed for leases on these six stores, and it has been decided by Mr. Heath's agent, Mr. Reavis; to apportion the stores to the applicants on Monday, June sth. Priority of application will give the pick of the storerooms to the earliest applicants.

All those who are desirous of making application for one of these stores are requested to get their application in, if possible, before June 5, in order to be sure of securing one of these storerooms. The rent will be very reasonable to responsible

rent will be very reasonable to responsible persons, and long time leases will be made if desired. The fact that long leases can be secured at the rental value of the stores today, will in itself be a great inducement to storekeepers, for that rents will steadily increase in the business district is an assured fact.

Applications will be received for leases at the office of J. DONNAN REAVIR GROUND FLOOR, SECURITY PRUST BUILDING, 23-34 MAIN STREET. TELEPHONE 10%-Z. Get your application in early.
